VOLUME 1 ~ ISSUE 1

Introducing the Platinum Family

Adam Pray, Broker/ Owner

Growing up in Hays, Adam fell in love with the people and atmosphere of the town. Adam's vision of creating a better way to buy or sell a home in Ellis County generated the idea of Platinum Group. He is a highly motivated person who strives to make the Real Estate process enjoyable and educational. He believes in and does business by the Platinum Rule: treat others the way they want to be treated. His long term goal is to be the #1 Real Estate Company in Ellis County.

Tori Mai, Receptionist

Tori was born and raised in WaKeeney, graduated in 2011, and moved to Hays recently after living in Overland Park for a year. Tori and Mason loved all the options for food and shopping the City provided, but it didn't have the same homey feel like Hays. Tori has worked in the customer service profession for 9 years and she is looking forward to serving you as you are going through the buying or selling process. Tori will be that joyful voice you will be hearing when you call the office and the first smiling face you see as you walk through Platinum Group's front door!

Marcie Pray, Agent

After committing 40 years of her life to the medical profession, 17 years most recently at Hays Med, she has decided to transition that service to the real estate profession! Marcie and her husband Larry have raised 6 children in this community and would like to return some of the blessings they have received by assisting folks with their real estate needs.

Tyler Reed, Agent

As an accomplished IT professional, Tyler has always had a love for the real estate industry. His previous position required patience, communication skills, and attention to detail as he worked with a diverse customer base. As a focused listener, able advisor and fair advocate, he looks forward to bringing his passion and enthusiasm to the real estate industry. Tyler believes that above all his role is to ensure that a real estate transaction should be as easy and smooth as possible for the buyer and seller. Married and the father of one, Tyler is a Quinter Kansas native in love with the small town feel and opportunities Hays provides. He looks forward to serving the community of Hays with their real estate needs.

Crystal Wolf, Agent

Raised near St. Joseph, MO. Crystal moved to Hays in search for a place in between their families and a safe place to raise their two children. Hays was a perfect match! Crystal pays great attention towards detail and you couldn't have a friendlier smile to work with! She has many years' experience in customer service that required detailed work. Crystal is looking forward to her new career path in Real Estate and putting a smile on your face!

New Year New Service

The Home Front is a complimentary gift from Platinum to the community.

The name signifies our desire to enhance community spirit by offering another venue of information and

communication. Our intent is to generate exposure to local events including the Hays Community Theatre Performances, to feature various persons of interest, to inform you of Ellis county business transitions, and to update you on the current Real Estate Market that affects us all. The newsletter will be mailed out early each month, we welcome your feedback, comments, and input. Please contact any of us should you have any items of community interest, or witness any random acts of kindness.

Open for Business!! Platinum Group is the new Real Estate Company that aspires to serve Ellis County with specialized customer service. Our goal is to be known as the Real Estate professionals you can turn to for advice, questions or anything related to your housing needs! Our mission statement is to provide our customers with outstanding care while providing our Agents and employees great opportunities for personal, professional, and financial growth. At Platinum Group we believe in open, honest communication, adhering to all laws and regulations, and maintaining a high level of integrity, we always follow the Platinum Rule: treat others the way they want to be treated. We are located right across the street from Gellas at 116 E 11th, the site of the old ARC building. After extensive remodeling, this pad now features a state of the art business environment with a family atmosphere! We are thrilled to house the Hays Community Theatre on our East Wing, and fully support the Theatre's mission to bring entertainment to Western Kansas! We invite you to drop in, meet our Team, and tour our new building!
